

## HEALTH INSURANCE MARKETPLACE

Beginning in 2014, many more Head Start family members including parents, older siblings and grandparents under age 65 may qualify for health insurance. The new Health Insurance Marketplace is the place to find information about how to apply for coverage, including Medicaid and the Children's Health Insurance Program (CHIP). Open enrollment begins October 1, 2013; as always you can apply for Medicaid or CHIP at any time.

Starting on August 6, 2013, you can go to [www.healthcare.gov](http://www.healthcare.gov) and create your Marketplace account. Setting up your account is the first step in the process to get you ready for October 1.
